Date Executed: \_\_\_\_\_

**10. DESCRIPTION OF CONTRACT MODIFICATION:**

This modification to the Contract is made in accordance with Exhibit E-Revised-3, Contractual Terms and Conditions, Section 15, entitled **CHANGES**, to be made a part hereof for all pertinent purposes.

**Capital Metro IT Assets/Equipment Agreement ("Agreement")**

Attached to this contract modification is the form entitled Capital Metro IT Assets/Equipment Agreement. This Agreement shall be utilized when Capital Metro assigns the Contractor certain Capital Metro owned property, specifically IT Assets and Equipment. Contractor's personnel will be required to sign this form each time Capital Metro assigns Contractor IT assets and/or equipment for Contractor's use.

It is understood that the attached Agreement represents version 1.0 and will include the first batch of IT Assets/Equipment assigned to the Contractor. Both parties agree to revise the Agreement with mutual signatures to include a new version number and date. The new version of the Agreement will be executed In lieu of future contract modifications, and will automatically replace the previous version.

*This modification may be executed in multiple originals, and an executed facsimile shall have the same force and effect as an original document.*

**END OF MODIFICATION #11**

## Capital Metro IT Assets/Equipment Agreement MTM Transit - Northbase

Dear Team Manager of MTM Transit - Northbase:

In connection with Contract No. 132939 (the "Contract") by and between Capital Metropolitan Transportation Authority ("Capital Metro") and MTM Transit, LLC ("Contractor"), Capital Metro will provide Contractor's personnel ("Team" and/or "Team Manager") with the IT Assets/Equipment listed in the attached IT Assets/Equipment list, subject to the following:

### **CONTRACTOR RESPONSIBILITIES**

- As the Team Manager, you are responsible for ensuring all IT Assets/Equipment that your team has been given are in good working order and functioning throughout the term of the Contract.
- If any of the IT Assets/Equipment is dropped, missing, or otherwise not in good working order, you are responsible for contacting the Capital Metro IT Service Desk at 512-389-7570 as soon as possible.
- If an IT Assets/Equipment is no longer in good working order as a result of your or your team's act, omission, or negligence, Contractor will be required to replace the IT Assets/Equipment (that is, replacement-in-kind).
- As the Team Manager, you must obtain the Capital Metro IT Service Desk Manager's prior approval to purchase an IT Assets/Equipment, if a similar model & make cannot be found. The terms and conditions of this document will apply to any such IT Assets/Equipment.
- Capital Metro will only provide the IT Assets/Equipment listed below. Any additional IT Assets/Equipment needed in connection with the Contract must be provided by Contractor at Contractor's expense. The Equipment must be approved by the Service Desk Manager prior to purchase.
- If an IT Assets/Equipment is lost or stolen, Contractor will be required to replace the IT Assets/Equipment (that is, replacement-in-kind).
- You are responsible for ensuring the IT Assets/Equipment obtains updated software for continual good use. This task is performed by daily charging each IT Assets/Equipment and, when prompted, agreeing to download any available upgrades.

### **CAPITAL METRO'S RESPONSIBILITIES**

- Capital Metro will provide the IT Assets/Equipment listed in the attached in good condition to the Contractor.
- Capital Metro will respond to any Service Call or ticket raised by the Contractor for issues described under the above section "Contractor's Responsibilities".

- If the IT Assets/Equipment is lost or stolen or unavailable, and the Contractor informs Capital Metro, wherever possible e.g., in an iPad, Capital Metro will proceed to disable the IT Assets/Equipment remotely.

By signing below, you acknowledge and agree to the above.
