It is Capital Metro's responsibility to provide a system of reporting and access to guidance when an employee wishes to report a suspected violation and to seek counseling, and the normal chain of command cannot, for whatever reason, be utilized. (e) Ethical Business Transactions

Section 1. Impartiality and Official Position

(ii) Real property if the interest is an equitable or legal ownership with a fair market value of \$2,500 or more.

Capital Metro will not enter into a contract with a business in which a Board Member or employee or a Family Member of a Board Member or employee as defined in Section 8 has a Substantial Interest except in case of emergency as defined in the Acquisition Policy PRC-100 or the business is the only available source for essential goods and services or property.

- (2) No Board Member or employee shall:

(i) Act as a surety for a business that has work, business or a contract with Capital Metro or act as a surety on any official bond required of an officer of Capital Metro.

(v) Use Capital Metro's resources, including employees, facilities, equipment, and supplies in political campaign activities.

(vi) Participate in a contract for a contractor or first-tier subcontractor with Capital Metro for a period of one (1) year after leaving employment on any contract with Capital Metro.

(vii) Participate for the life of the contract in a contract for a contractor or first-tier subcontractor with Capital Metro if the Board Member or employee participated in the recommendation, bid, proposal or solicitation of the Capital Metro contract or procurement.

Section 2. Employment and Representation

A Board Member or employee must disclose to his or her supervisor, appropriate Capital Metro staff or the Board Chair any discussions of future employment with any business which has, or the Board Member or employee should reasonably foresee is likely to have, any interest in a transaction upon which the Board Member or employee may or must act or make a recommendation subsequent to such discussion. The Board Member or employee shall take no further action on matters regarding the potential future employer.

A Board Member or employee shall not solicit or accept other employment to be performed or compensation to be received while still a Board Member or employee, if the employment or compensation could reasonably be expected to impair independence in judgment or performance of their duties.

A Board Member or employee with authority to appoint or hire employees shall not exercise such authority in favor of an individual who is related within the first degree, within the second degree by affinity or within the third degree by consanguinity as defined by the Capital Metro Nepotism Policy in accordance with Tex. Govt. Code, Ch. 573.

Section 3. Gifts

It is critical to keep an arms-length relationship with the entities and vendors Capital Metro does business with in order to prevent the appearance of impropriety, undue influence or favoritism.

No Board Member or employee shall:

(1) Solicit, accept or agree to accept any benefit or item of monetary value as consideration for the Board Member's or employee's decision, vote, opinion, recommendation or other exercise of discretion as a public servant. [Tex. Penal Code §36.02(c)]

(2) Solicit, accept or agree to accept any benefit or item of monetary value as consideration for a violation of any law or duty. [Tex. Penal Code §36.02(a)(1)]

(3) Solicit, accept or agree to accept any benefit or item of monetary value from a person the Board Member or employee knows is interested in or likely to become interested in any Capital Metro contract or transaction if the benefit or item of monetary value could reasonably be inferred as intended to influence the Board Member or employee. [Tex. Penal Code §36.08(d)]

(4) Receive or accept any gift, favor or item of monetary value from a contractor or potential contractor of Capital Metro or from any individual or entity that could reasonably be inferred as intended to influence the Board Member or employee.

Exception: Consistent with state law governing public servants, a gift does not include a benefit or item of monetary value with a value of less than \$50, excluding cash or negotiable instruments, unless it can reasonably be inferred that the item was intended to influence the Board Member or employee. A department may adopt more restrictive provisions if there is a demonstrated and documented business need. [Tex. Penal Code § 36.10(a)(6)]

Exception: A gift or other benefit conferred, independent of the Board Member's or employee's relationship with Capital Metro, that is not given or received with the intent to influence the Board Member or employee in the performance of his or her official duties is not a violation of this policy. The Capital Metro Ethics Officer or Board Ethics Officer must be consulted for a determination as to whether a potential gift falls within this exception.

Exception: Food, lodging, or transportation that is provided as consideration for legitimate services rendered by the Board Member or employee related to his or her official duties is not a violation of this policy.

If you are uncertain about a gift, seek guidance from the Ethics Officer.

Section 4. Business Meals and Functions

Board Members and employees may accept invitations for free, reasonable meals in the course of conducting Capital Metro's business or while attending a seminar or conference in connection with Capital Metro business as long as there is not an active or impending solicitation in which the inviting contractor or party may participate and attendance at the event or meal does not create an appearance that the invitation was intended to influence the Board Member or employee.

When attending such events, it is important to remember that you are representing Capital Metro and if you chose to drink alcohol, you must do so responsibly. Drinking irresponsibly may lead to poor judgment and actions that may violate the Code or other Capital Metro policies and may damage the reputation of Capital Metro in the community and the industry.

Section 5. Confidential Information

It is everyone's responsibility to safeguard Capital Metro's nonpublic and confidential information.

No Board Member or employee shall:

Section 6. Financial Accountability and Record Keeping

Capital Metro's financial records and reports should be accurate, timely, and in accordance with applicable laws and accounting rules and principles. Employees and Board Members are expected to deal at arms-length in any transaction on behalf of Capital Metro and avoid and disclose actual conflicts of interest under the law and the Code and any circumstance which could impart the appearance of a conflict of interest. A conflict of interest exists when a Board Member or employee is in a position in which any official act or action taken by them is, may be, or appears to be influenced by considerations of personal gain rather than the general public trust.

Conflict of Interest [Tex. Loc. Govt. Code, Ch. 171 & 176, § 2252.908]

No Board Member or employee shall participate in a matter involving a business, contract or real property transaction in which the Board Member or employee has a Substantial Interest if it is reasonably foreseeable that an action on the matter would confer a special economic benefit on the business, contract or real property that is distinguishable from its effect on the public. [Tex. Loc. Govt. Code, § 171.004]

Disclosure

A Board Member or employee must disclose a Substantial Interest in a business, contract, or real property that would confer a benefit by their vote or decision. The Board Member or employee may not participate in the consideration of the matter subject to the vote or decision. Prior to the vote or decision, a Board Member shall file an affidavit citing the nature and extent of his or her interest with the Board Vice Chair or Ethics Officer. [Tex. Loc. Govt. Code, § 171.004]

A Board Member or employee may choose not to participate in a vote or decision based on an appearance of a conflict of interest and may file an affidavit documenting their recusal.

Any employee who reports a violation will be treated with dignity and respect and will not be subjected to any form of retaliation for reporting truthfully and in good faith. Contractor shall require that each Subcontractor employed on the Project provide workers' compensation insurance coverage on every employee of the Subcontractor employed on the Project and certify coverage to Contractor as required by Section 406.96 of the Texas Labor Code, and submit the Subcontractor's certificate to the Authority prior to the time the Subcontractor performs any work on the Project.

11. CERTIFICATION REGARDING ISRAEL

In accordance with Section 2270.002 of the Texas Government Code, the Contractor certifies that it does not boycott Israel and will not boycott Israel during the term of this Contract.

12. CERTIFICATION REGARDING FOREIGN TERRORIST ORGANIZATIONS

Contractor certifies and warrants that it is not engaged in business with Iran, Sudan, or a foreign terrorist organization, as prohibited by Section 2252.152 of the Texas Government Code.

13. CERTIFICATION OF PRIME CONTRACTOR PARTICIPATION

(a) The Prime Contractor certifies that it shall perform no less than thirty percent (30%) of the work with his own organization. The on-site production of materials produced by other than the Prime Contractor's forces shall be considered as being subcontracted.

(b) The organization of the specifications into divisions, sections, articles, and the arrangement and titles of the project drawings shall not control the Prime Contractor in dividing the work among subcontractors or in establishing the extent of the work to be performed by any trade.

(c) The offeror further certifies that no more than seventy percent (70%) of the work will be done by subcontractors.

14. SIGNATURE BLOCK FOR ALL REPRESENTATIONS AND CERTIFICATIONS

(a) These representations and certifications concern a material representation of fact upon which reliance will be placed in awarding a contract. If it is later determined that the offeror knowingly rendered an erroneous or false certification, in addition to all other remedies the Authority may have, the Authority may terminate the contract for default and/or recommend that the offeror be debarred or suspended from doing business with the Authority in the future.

(b) The offeror shall provide immediate written notice to the Authority if, at any time prior to contract award, the offeror learns that the offeror's certification was, or a subsequent communication makes, the certification erroneous.

(c) Offerors must set forth full, accurate and complete information as required by this solicitation (including this attachment). Failure of an offeror to do so may render the offer nonresponsive.

(d) A false statement in any offer submitted to the Authority may be a criminal offense in violation of Section 37.10 of the Texas Penal Code.

(e) I understand that a false statement on this certification may be grounds for rejection of this submittal or termination of the awarded contract.

EXHIBIT D
SMALL BUSINESS ENTERPRISE (SBE) PROGRAM
FOR LOCALLY FUNDED SOLICITATIONS

1. PROGRAM BACKGROUND

The Small Business Enterprise (SBE) program is designed to work with the small business community to enhance SBE participation in locally funded procurements. The intent of the SBE program is to provide full and fair opportunities for equal participation by all small businesses at the Authority. The program provides specific thresholds to create opportunities, promote competitiveness, and assist SBEs in overcoming potential barriers to participating in contracting opportunities.

2. DEFINITION

(a) Capital Metro defines small business as any business whose annual gross income averaged over the past three (3) years does not exceed the Small Business Administration's (SBA) size standards as set forth in 13 C.F.R., Part 121. A size standard is the largest that a firm can be and still qualify as a small business.

(b) Any Small Business that is certified as a Small Business Enterprise (SBE), Minority Business Enterprise (MBE), Women Business Enterprise (WBE), Disadvantaged Business Enterprise (DBE) and Historically Underutilized Business (HUB) meeting the SBA size requirement will be accepted as meeting the Capital Metro SBE requirements

3. SUBMISSION OF SBE FORMS

Offerors shall submit with their offer a completed Schedule C of Subcontractor Participation form (listing all proposed subcontractors,) and an executed Intent to Perform as a SBE Subcontractor form for each SBE subcontractor listed on the Schedule C. As required in Section 5 of this Exhibit, complete Good Faith Effort documentation (if necessary) must be submitted at this same time. The listing of a SBE by an Offeror shall constitute a representation by the Offeror to the Authority that it believes such SBE firm to be technically and financially qualified and available to perform the work. It shall also represent a commitment by the Offeror that if it is awarded the contract it will enter into a subcontract with such SBE for the work described and at the price set forth in both the Schedule C of Subcontractor Participation and the Intent to Perform as a SBE Subcontractor forms. If the price changes after the forms have been submitted but prior to award of the contract, the Offeror will immediately notify the Authority's Procurement Department of the changed amount and the reason(s) for the change. No substitutions of SBE firms may be effected without the Authority's prior written approval. If an offeror is a SBE and wishes to count its participation on the project towards the goal, it is required to perform that portion with its own work force.

4. CREDIT TOWARDS GOALS

(a) No credit toward meeting SBE goals will be allowed unless the SBE is determined to be eligible by the Capital Metro Office of Diversity. Offerors are strongly encouraged to contact the Authority's Office of Diversity well in advance of the date set for receipt of offers in order to enable review of the proposed SBEs eligibility to participate in the Authority's SBE Program. The dollar value of work performed under a contract with a firm after it has graduated from the SBE program cannot count toward a contract goal. Participation of a SBE subcontractor cannot count toward the prime contractor's SBE achievements until the amount being counted has been paid to the SBE.

(b) Only expenditures to SBEs that perform a Commercially Useful Function may be counted towards goals. A SBE performs a commercially useful function when it is responsible for execution of the work of the contract and is carrying out its responsibilities by actually performing, managing, and supervising the work involved. To perform a commercially useful function, the SBE must also be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quality and quantity, ordering the material, and installing (where applicable) and paying for the material itself. If a SBE does not perform or exercise responsibility for at least thirty (30%) percent of the total cost of its contract with its own work force, or the SBE subcontracts a greater portion of the work

CAPITAL METROPOLITAN TRANSPORTATION AUTHORITY

of a contract than would be expected on the basis of normal industry practice for the type of work involved, it is not performing a commercially useful function.

(c) The Contractor may count only the value of the work actually performed by the SBE toward SBE goals. Count the entire amount of that portion of a construction contract that is performed by a SBE's own forces. Include the cost of supplies and materials obtained by the SBE for the work of the contract, including supplies purchased or equipment leased by the SBE (except supplies and equipment the SBE subcontractor purchases or leases from the prime contractor or its affiliate). Count the entire amount of fees or commissions charged by a SBE firm for providing a bona fide service, such as professional, technical, consultant, or managerial services, or for providing bonds or insurance specifically required for the performance of a contract, toward SBE goals, provided the fee is reasonable and not excessive as compared with fees customarily allowed for similar services. When a SBE subcontracts part of the work of its contract to another firm, the value of the subcontracted work may be counted toward SBE goals only if the SBE's subcontractor is itself a SBE. Work that a SBE subcontracts to a non-SBE firm does not count toward SBE goals.

(d) The Contractor may credit towards the SBE goal only sixty (60%) percent of the total dollar cost for material and supplies purchased from SBEs that are regular dealers and not manufacturers. A regular dealer is an established firm that owns, operates, or maintains a store, warehouse, or other establishment in which the materials, supplies, articles or equipment of the general character described by the specifications and required under the contract are bought, kept in stock, and regularly sold or leased to the public in the usual course of business. A person may be a regular dealer in such bulk items as petroleum products, steel, cement, gravel, stone, or asphalt without owning, operating, or maintaining a place of business if the person both owns and operates distribution equipment for the products. Packagers, brokers, manufacturers' representatives, or other persons who arrange or expedite transactions are not regular dealers.

(e) A Contractor may count toward its SBE goals the following expenditures to SBE firms that are not manufacturers or regular dealers.

(1) The fees or commissions charged for bona fide services such as professional, technical, consultant, or managerial services and assistance in the procurement of essential personnel, facilities, equipment materials or supplies required for performance of the contract, provided that the fee is determined to be reasonable and not excessive as compared with fees customarily allowed for similar services.

(2) The fees charges for delivery of materials and supplies required on a job site (but not the cost of the materials and supplies themselves) when the hauler, trucker, or delivery service is not also the manufacturer of or a regular dealer in, the materials and supplies.

(3) The fees charged for providing any bonds or insurance specifically required for the performance of the contract.

(4) The fees charged for assistance in the procurement of the materials and supplies provided that the fees are reasonable and not excessive as compared with fees customarily allowed for similar services.

5. DEMONSTRATION OF GOOD FAITH EFFORT

(a) If an Offeror does not meet the SBE goals, it shall nevertheless be eligible for award of the contract if it can demonstrate to the satisfaction of the Authority that it has made a good faith effort to meet the SBE goals. In evaluating an Offeror's good faith effort submission, the Authority will only consider those documented efforts that occurred prior to receipt of competitive sealed proposals (SOQ).

(1) Possible subcontracting opportunities include, but are not limited to:

Industry	NAIC Code
Bus Display Advertising Services	541850
Printing and Related Support Activities	323111
Advertising Agency Consulting Services	541810

CAPITAL METROPOLITAN TRANSPORTATION AUTHORITY

(2) The SBE goal for this solicitation is **10%**.

(b) In making a determination that the Offeror has made a good faith effort to meet the SBE goals, the Authority shall consider among other things it deems relevant, the criteria set forth below. Additionally, in determining whether a bidder has made good faith efforts, the Authority will take into account the performance of other bidders in meeting the contract goal. The Offeror shall furnish as part of its SBE utilization information provided under Section 5 such specific documentation concerning the steps it has taken to obtain SBE participation, with a consideration of, by way of illustration and not limitation the following:

(1) Whether the Offeror solicited through all reasonable and available means (e.g. attendance at pre-bid meetings, advertising and/or written notices) the interest of all certified SBEs who have the capability to perform the work of the contract. The bidder must solicit this interest within sufficient time to allow the SBEs to respond to the solicitation. The bidder must determine with certainty if the SBEs are interested by taking appropriate steps to follow up initial solicitations.

(2) Whether the Offeror provided interested SBEs with adequate information about the plans, specifications, and requirements of the contract in a timely manner to assist them in responding to a solicitation.

(3) Whether the Offeror negotiated in good faith with interested SBEs. It is the bidder's responsibility to make a portion of the work available to SBE subcontractors and suppliers and to select those portions of the work or material needs consistent with the available SBE subcontractors and suppliers, so as to facilitate SBE participation. Evidence of such negotiation includes the names, addresses, and telephone numbers of SBEs that were considered; a description of the information provided regarding the plans and specifications for the work selected for subcontracting; and evidence as to why additional agreements could not be reached for SBEs to perform the work. A bidder using good business judgment would consider a number of factors in negotiating with subcontractors, including SBE subcontractors, and would take a firm's price and capabilities as well as contract goals into consideration. However, the fact that there may be some additional costs involved in finding and using SBEs is not in itself sufficient reason for a bidder's failure to meet the contract SBE goal, as long as such costs are reasonable. Also, the ability or desire of a prime contractor to perform the work of a contract with its own organization does not relieve the bidder of the responsibility to make good faith efforts. Prime contractors are not, however, required to accept higher quotes from SBEs if the price difference is excessive or unreasonable.

(4) Whether the Offeror rejected SBEs as being unqualified without sound reasons based on a thorough investigation of their capabilities. The contractor's standing within its industry, membership in specific groups, organizations, or associations and political or social affiliations (for example union vs. non-union employee status) are not legitimate causes for the rejection or non-solicitation of bids in the contractor's efforts to meet the project goal.

(5) Whether the Offeror made efforts to assist interested SBEs in obtaining bonding, lines of credit, or insurance as required by the recipient or contractor.

(6) Whether the Offeror made efforts to assist interested SBEs in obtaining necessary equipment, supplies, materials, or related assistance or services.

(c) In determining whether an Offeror has demonstrated good faith, the Authority will look not only at the different kinds of efforts that the Offeror has made, but also the quantity and intensity of those efforts. Efforts that are mere pro forma are not good faith efforts to meet the goals (even if they are sincerely motivated) if, given all relevant circumstances, the Offeror's efforts could not reasonably be expected to produce a level of SBE participation sufficient to meet the goals.

6. CERTIFICATION OF SBEs

(a) The City of Austin will serve as the certifying agency for the Austin region, which includes the counties of Bastrop, Caldwell, Hays, Travis and Williamson County. All prospective SBEs must submit appropriate forms, available through the City of Austin Certification Department, to prove actual ownership and control by SBEs. All such firms shall cooperate in supplying additional information as requested by the City of Austin DSMBR Certifica-

CAPITAL METROPOLITAN TRANSPORTATION AUTHORITY

tion Department, which will determine the certification of eligible SBEs. Blank forms may be obtained by contacting the City of Austin Certification Department, 4201 Ed Bluestein Blvd., (512) 974-7645, fax: (512) 974-7609. Vendor may also contact Capital Metro at (512) 389-7512 to obtain information.

(b) In the event the Authority determines that a firm identified by the Offeror as a potential SBE does not qualify as a SBE, the Offeror shall be informed and will be provided with an opportunity to substitute firms meeting the certifying agency's SBE eligibility criteria for the Authority's consideration.

(c) Capital Metro will accept Small Business Certification from any government agency that certifies Small Business Enterprises.

(d) Information concerning SBEs currently certified can be obtained by contacting the Office of Diversity Department at the address in subparagraph (a) above. Offerors may access the SBE directory at <http://www.austintexas.gov/department/certification>.

(e) Offerors are reminded that only SBEs may participate in Authority contracts in such capacities. If an offeror proposes using a SBE from another state, the firm must produce evidence that it is SBE certified in the state in which the business is headquartered.

7. SBE MODIFICATION OR SUBSTITUTION

In the event that an Offeror wishes to modify its Schedule C of Subcontractor Participation after its offer is submitted and/or a contract awarded, the Offeror/Contractor must notify the Authority in writing and request approval of the modification. This will include any changes to items of work, material, services or SBE firms which differ from those identified on the Schedule C of Subcontractor Participation on file. The Offeror/Contractor must cooperate in supplying the Authority with additional information with respect to the requested modification. If the modification involves a substitution and if it is approved by the Authority, the Offeror/Contractor must make every good faith effort to replace the SBE with another SBE. In the event that the Offeror/Contractor is unable to contract with another SBE firm, such good faith efforts must be documented to the Office of Diversity Department. The substitute SBE firm must be certified by the Authority in order for the Offeror/Contractor to receive credit towards fulfilling its SBE participation goals for the contract.

8. PAYMENT DOCUMENTATION

Concurrently with the submission of the invoice or each request for a progress payment under this contract, the Contractor shall provide on the Vendor Payment Report Form a breakdown of the amounts paid to date to SBEs identified by the Contractor to participate on this contract. As provided elsewhere in this contract, the Authority may withhold all or part of any progress payment otherwise due the Contractor if the Contractor fails to submit the Vendor Payment Report Form and make prompt payment to its subcontractors, suppliers and laborers.

9. SANCTIONS FOR NONCOMPLIANCE WITH THE AUTHORITY'S SBE PROGRAM PROVISIONS

Failure of the Contractor to carry out the Authority's SBE Program provision shall constitute a breach of contract and may result in termination of the contract for default or such remedy as the Authority may deem appropriate. The willful making of false statements or providing incorrect information will be referred for appropriate legal action.

To the extent that the Works, under applicable law, may not be considered works made for hire, the Contractor hereby agrees that this Contract effectively transfers, grants, conveys, assigns, and relinquishes exclusively to the Authority all right, title and interest in and to all worldwide ownership rights in the Works, and all Intellectual Property Rights in the Works, without the necessity of any further consideration, and the Authority shall be entitled to obtain and hold in its own name all Intellectual Property Rights in and to the Works.

(c) To the extent that any pre-existing rights and/or third party rights or limitations are embodied, contained, reserved or reflected in the Works, the Contractor shall either:

(1) grant to the Authority the irrevocable, perpetual, non-exclusive, worldwide, royalty-free right and license to:

(i) use, execute, reproduce, display, perform, distribute copies of, and prepare derivative works based upon such pre-existing rights and any derivative works thereof in connection with the sale, offering for sale, marketing, advertising, and promotion of the Authority's goods and services, and in all forms of media, media channels and/or publicity that may now exist or hereafter be created or developed, including but not limited to television, radio, print, Internet, and social media (e.g., Facebook, Twitter, YouTube, etc.) and

(ii) authorize others to do any or all of the foregoing, or

(2) where the obtaining of worldwide rights is not reasonably practical or feasible, provide written notice to the Authority of such pre-existing or third party rights or limitations, request the Authority's approval of such pre-existing or third party rights, obtain a limited right and license to use such pre-existing or third party rights on such terms as may be reasonably negotiated, and obtain the Authority's written approval of such pre-existing or third party rights and the limited use of same. The Contractor shall provide the Authority with documentation indicating a third party's written approval for the Contractor to use any pre-existing or third party rights that may be embodied, contained, reserved or reflected in the Works. **THE CONTRACTOR SHALL INDEMNIFY, DEFEND AND HOLD THE AUTHORITY HARMLESS FROM AND AGAINST ANY AND ALL CLAIMS, DEMANDS, REGULATORY PROCEEDINGS AND/OR CAUSES OF ACTION, AND ALL LOSSES, DAMAGES, AND COSTS (INCLUDING ATTORNEYS' FEES AND SETTLEMENT COSTS) ARISING FROM OR RELATING TO, DIRECTLY OR INDIRECTLY, ANY CLAIM OR ASSERTION BY ANY THIRD PARTY THAT THE WORKS INFRINGE ANY THIRD-PARTY RIGHTS.** The foregoing indemnity obligation shall not apply to instances in which the Authority either:

(i) exceeded the scope of the limited license that was previously obtained by the Contractor and agreed to by the Authority, or

(ii) obtained information or materials, independent of the Contractor's involvement or creation, and provided such information or materials to the Contractor for inclusion in the Works, and such information or materials were included by the Contractor, in an unaltered and unmodified fashion, in the Works.

(d) The Contractor hereby warrants and represents to the Authority that individuals or characters appearing or depicted in any advertisement, marketing, promotion, publicity or media, of any type or form that may now exist or hereafter be created or developed by or on behalf of the Contractor for the use by or benefit of the Authority, have provided their written consent for the use, reproduction, display, performance, and distribution of, and/or preparation of derivative works to, their persona or personality rights, including name, biographical information, picture, portrait,

likeness, performance, voice and/or identity (“Personality Rights”), and have been compensated for such Personality Rights, if appropriate. If such permission has been obtained for a limited time, the Contractor shall be responsible for any costs associated with claims resulting from such use, etc., of the Personality Rights after the expiration of those time limits. **THE CONTRACTOR AGREES TO DEFEND, INDEMNIFY AND HOLD THE AUTHORITY HARMLESS FROM ANY CLAIMS, INCLUDING BUT NOT LIMITED TO CLAIMS FOR INVASION OF PRIVACY, INFRINGEMENT OF THE RIGHT OF PUBLICITY, LIBEL, UNFAIR COMPETITION, FALSE ADVERTISING, INTENTIONAL OR NEGLIGENT INFLICTION OF EMOTIONAL DISTRESS, COPYRIGHT OR TRADEMARK INFRINGEMENT, AND/OR CLAIMS FOR ATTORNEY’S FEES, RESULTING FROM SUCH USE, ETC., OF THE PERSONALITY RIGHTS.**

(e) The Contractor hereby irrevocably and forever waives, and agrees never to assert, any Moral Rights in or to the Works which the Contractor may now have or which may accrue to the Contractor’s benefit under U.S. or foreign copyright laws and any and all other residual rights and benefits which arise under any other applicable law now in force or hereafter enacted. The term “Moral Rights” shall mean any and all rights of paternity or integrity of the Works and the right to object to any modification, translation or use of the Works, and any similar rights existing under the judicial or statutory law of any country in the world or under any treaty, regardless of whether or not such right is denominated or referred to as a Moral Right.

(f) The Contract is intended to protect the Authority’s proprietary rights pertaining to the Works, and the Intellectual Property Rights therein, and any misuse of such rights would cause substantial and irreparable harm to the Authority’s business. Therefore, the Contractor acknowledges and stipulates that a court of competent jurisdiction should immediately enjoin any material breach of the intellectual property and confidentiality provisions of this Contract, upon a request by the Authority, without requiring proof of irreparable injury as same should be presumed.

(g) Upon the request of the Authority, but in any event upon termination of this Contract, the Contractor shall surrender to the Authority all documents and things pertaining to the Works, including but not limited to drafts, memoranda, notes, records, drawings, manuals, computer software, reports, data, and all other documents or materials (and copies of same) generated or developed by the Contractor or furnished by the Authority to the Contractor, including all materials embodying the Works, any Authority confidential information, or Intellectual Property Rights, regardless of whether complete or incomplete. This paragraph is intended to apply to all Works made or compiled by the Contractor, as well as to all documents and things furnished to the Contractor by the Authority or by anyone else that pertains to the Works.

23. INSPECTIONS AND APPROVALS

(a) All Services performed by the Contractor or its Subcontractors or consultants shall be subject to the inspection and approval of the Authority at all times, but such approval shall not relieve the Contractor of responsibility for the proper performance of the Services. EXHIBIT F-REVISED-2
SCOPE OF SERVICES
TRANSIT ADVERTISING FOR BUS & RAIL VEHICLES

I. BACKGROUND

Capital Metropolitan Transportation Authority (“Capital Metro” or “the Authority”) is a public agency responsible for providing mass transit service within the City of Austin and the surrounding communities of Leander, Lago Vista, Jonestown, Manor, San Leanna, and Point Venture, as well as the unincorporated area of Travis County within Commissioner Precinct 2 and the Anderson Mill area of Williamson County. Capital Metro services include bus, ride-share programs, special event services, and special transit services for the mobility impaired.

Austin, Texas is the fourth (4th) largest city in Texas and the eleventh (11th) most populous city in the United States with a population of nine hundred, forty-seven thousand, eight hundred and ninety (947,890) according to the 2016 U.S. Census, which is an increase of over sixteen percent (16%) since 2010. The city is the cultural and economic center of the Austin–Round Rock metropolitan area, which has a combined population of over two million (2,000,860) according to the 2015 U.S. Census, making it the third (3rd) largest metropolitan area in the United States. The Austin–Round Rock metro area was the fifth (5th) fastest growing city in the nation in 2016. Austin boasts a booming tech sector, major events including South by Southwest, Formula 1 Austin, Austin City Limits and multiple higher education institutions including the University of Texas, St. Edwards University, Huston-Tillotson University and Austin Community College. Austin is the capital of Texas and most state offices are located in or near downtown.

Capital Metro has a mature bus and rail advertising program that generates approximately one million and two-hundred thousand dollars (\$1,200,000) annually. Current inventory ranges from sixty percent (60%) to ninety-eight percent (98%) occupancy on revenue producing vehicles, with sales varying on a month-to-month basis. Current sizes and pricing of these ads are available in the Capital Metro Media Kit (**Attachment 4: Media Kit**). The current program does not include the Paratransit fleet, Vanpool fleet and MCI Commuter coaches serving MetroExpress routes (these coaches have been excluded due to challenges of placing readable advertising on the exteriors and a lack of racks for interior advertising).

Currently, sales are handled by internal Capital Metro staff and a Contractor performs the installation and removal of the advertising. Installation of the ads are currently performed after 6 PM Monday – Friday and all day on Saturday and Sunday. Arrangements for bus and bay availability is scheduled through Capital Metro contracted service providers, as is the availability of rail cars. Customers create, procure and print the artwork and deliver vinyl and placards to Capital Metro for installation. Customers are also charged for the cost of installation.

Community Partnerships. As a service to the community, Capital Metro offers a fifty percent (50%) discount to non-profits and governmental entities under its transit advertising policy. A program called “Community Partnerships” offers free space for three (3) Queen sized ads and fifty (50) interior placards for a three (3) month period to non-profits in the community on a first come, first served basis. Community Partnerships are limited to fifteen (15) total partnerships with qualifying non-profit organizations per fiscal year. Capital Metro is interested in preserving these discounts and offerings on its bus fleet and the Offeror should detail how these programs can be included.

Installation of these ads will be performed by the Contractor at no additional cost to Capital Metro. The Contractor will allow Capital Metro advertising to remain posted for a minimum of thirty (30) days and may remain posted until the campaign ends or until the space is sold. In addition, Capital Metro reserves the right to hold transit vehicle advertising inventory of ten buses of any future or existing electric bus fleet for its exclusive use.
